State Mandated Testing

Next week, Tuesday through Friday, all students in grades 3 through 8 will participate in the Standards Based Assessment mandated by the state of Alaska. These scores determine if the school is meeting AYP- Adequate Yearly Progress.

AYP is based both on participation and student scores.

In addition, these scores follow the students throughout their education journey.

In order to help students do their best on these tests it is important that they get a good night of sleep, eat a healthy breakfast, and arrive each day with a positive attitude!

Thanks for supporting your children through this testing. –Mrs. Tro.

Pops for Paws

Mrs. Darnell's class is having a fundraiser called "Pops for Paws." Proceeds will help the Koonce family pay for a service dog for Willie Koonce. Willie is Breena and Jonah Koonce's disabled brother who needs a specially trained service dog. Students may purchase a "Pops for Paws" pawprint for \$1.00 and receive a lollipop for their donation. The pawprints will then be displayed in the school lobby. The class that has the most pawprints will earn a root beer float party. Pawprints will be available for purchase beginning, Monday April 4. Please help Willie earn some money to get his service dog! P.S. for more information regarding Willie's story got to www.Fronteriersman.com.
