Science Fair Judges Needed

Would you like to be a judge for the school-wide Science Fair on March 1st and 2nd? I would like to have a parent from each class so we can have teams and spread out the work. A couple of parents have volunteered already. Thank you.

Experience is not required, just enthusiasm. You can work one day or both. Contact Mrs. Courtney in Mr. Dorsey's room.
-Mrs. Courtney

Transition Class Survey

Attached to today's newsletter is a copy of the Transition Class Survey. Please complete this survey and return it to your child's classroom teacher no later than Thursday, February 2nd. If you would like your survey to be anonymous, please return it in a white envelope marked "survey." Thanks. – APC

School Climate and Connectedness Survey

Per the School District all students in grades five through eight will be given the "School Climate and Connectedness Survey" beginning January 30. All students in these grades received a letter home about the survey with their report card. If a parent does not want a student to participate in the survey, the classroom teacher must be notified by Monday. Thanks!
